In Memory

John V. Arendale was born in
Franklin county, Alabama, May 6,
1838, and died at his home, northeast
of Peirce City, June 17, 1918, age 80
years, 1 month and 11 days.

He was very unfortunate two
months ago, when he fell and dislo-
cated his hip, which later developed
into a stroke of paralysis. He bore
his sickness with all patience.

He was educated in the common
schools of Alabama and grew to man-
hood in his native state. In 1862,
when the Civil War was in full swing,
he enlisted in the 54th regiment of
Arkansas Volunteers of the Confed-
erate army and continued in that reg-
iment until its surrender. His service
was all in the Trans-Mississippi de-
partment. He was appointed ser-
geant major by Colonel R. D. Shanes,
commanding the regiment.

On February 16, 1865, he was mar-
ried to Miss Sarah Stevens. They re-
sided in Lawrence county, Arkansas,
until 1884, when they moved to Law-
rence county, Missouri, and purchased
a tract of land, where he died. Eleven
children were born into this home, but
only four survive him, namely: Mrs.
G. W. Beckett, of Monett, and Harry,
Charley and John, of Peirce City.

His body was taken to Rogers,
Ark., to sleep by the side of his wife,
who died almost three years ago. The
pastor of the M. E. church at Rogers
officiated. His text was, "We brought
nothing into this world and it is cer-
tain we can carry nothing out."

The deceased also leaves a brother,
James Arndale, of Oklahoma, and a
sister, Mrs. Sarah Breese, of Rogers,
Ark., to mourn his departure.

Mr. Arendale was a good citizen, a
devoted and loving companion and
father, and will be greatly missed in
the home and community where he
lived.

JOLLY

Everybody is wearing a smile since
the good rain Saturday night. Some
think the early corn is damaged.

The chinch bugs are plentiful in the
wheat stubble and will do lots of dam-
age if we don't get plenty of rain.

Wheat, oats and hay have all been
cared for and threshing is in progress.

The drought ruined the gardens and
we are all scarce of vegetables to
cook for the threshing men.

A crowd of about 80 people enjoyed
an ice cream social at M. J. West's
Saturday night.

Mr. and Mrs. Horace Gray and son,
of Monett, visited Mrs. Gray's sister,
Mrs. Walter Hisaw, and family Sat-
urday night and Sunday.

We are sorry to report a very poor
attendance at the school house last
Friday and only about one-eighth of
our Savings Stamp quota was sub-
scribed, owing to the fact that a great
many Polish families gave their sub-
scriptions to Bricefield.

Mrs. Lora Cosby and daughter,
Mary, of the state of Washington, are
visiting Mrs. Cosby's father, Frank
Hoskins.

RHEUMATISM IS TORTURE

As Many a Monett Reader Knows
Only Too Well.

Many pains that pass as rheuma-
tism are really due to weak kidneys—
to the failure of the kidneys to drive
off uric acid thoroughly. When you
suffer achy, bad joints, backache, too,
dizziness and some urinary distur-
bances, get Doan's Kidney Pills, the
medicine that is publicly recommend-
ed by over 150,000 people in many
different lands. Doan's Kidney Pills
help weak kidneys to drive out uric
acid, which is often the cause of the
backache, rheumatism and lumbago.
Monett people have learned their
worth. Read this Monett resident's
experience.

Mrs. John Richards, 1008 Sixth St.,
says: "My kidneys acted irregularly
and bladder trouble distressed me. I
also suffered with backache. When I
moved around, a severe cutting pain
went through my back and I often
had rheumatic pains in my limbs. I
was getting more tired and worn all
the time. I finally got Doan's Kidney
Pills at Cox & Co.'s Drug Store and
began using them. I was soon re-
stored to good health."

Price 60c at all dealers. Don't sim-
ply ask for a kidney remedy—get

SURGEONS agree that in cases of
Cuts, Burns, Bruises and Wounds, the
FIRST TREATMENT is most impor-
tant. When an EFFICIENT antiseptic

man or beast, BOROZONE is the

NORTH PURDY

Health is good in this neighborhood.
We had fine rains Friday and Sat-
urday nights, which were very much
appreciated by the farmers.

Farmers are through cutting wheat
and oats. Some are stacking their
wheat in readiness for the thrasher.

Mrs. Eden, who has been staying
with her daughter, Mrs. Henson, is
visiting her son, T. W. Eden, of near
Verona.

Mr. Horine's little daughter, Ruth,
fell from a carriage Friday night,
breaking her arm. She was taken to
a physician by Charley Wormington
at once.

Wm. Smerdon, of Monett, was in
this part last week writing insurance
on our wheat. Farmers should have
their wheat protected.

Charley Wormington's brother,
Benton, of Colorado, is visiting in this
neighborhood. He came through in
his car.

When you feel lazy, out of sorts
and yawn a good deal in the daytime,
you can charge it to a torpid liver
which has allowed the system to get
full of impurities. HERBINE cures
all disorders produced by an inactive
liver. It strengthens that organ,
cleanses the bowels and puts the sys-
tem in good healthy condition. Price
50c. Sold by Logan D. McKee.

A bad taste in the mouth comes

of that is usually a torpid liver—a
condition which invites disease.
HERBINE is the remedy needed. It
corrects the stomach and makes the
liver active and regular. Price 50c.

Lame Shoulder

This ailment is usually caused by
rheumatism of the muscles. All that
is needed is absolute rest and a few
applications of Chamberlain's Lin-
iment. Try it.

Virgil Wilhite, of McDowell Mill, is
in Monett.

The Joy of Living

To enjoy life we must have good
health. No one can reasonably hope
to get much real pleasure out of life
when his bowels are clogged a good
share of the time and the poisons
that should be expelled are absorbed
into the system, producing headache
and indigestion. A few doses of
Chamberlain's Tablets will move the
bowels, strengthen the digestion and
give you a chance to realize the real
joy of living. Try it.

FARMERS, ATTENTION!

Harvest time is now at hand. We
are ready and willing and anxious to
serve you in insuring your grain in
stack, rick or any place on the farm
against loss by fire and lightning.
The rates are very reasonable. We
also write hail insurance on growing
crops. Companies represented are
the best. Give the best indemnity for
the least money.

bottle. Sold by Logan D. McKee.
